Kommune

Tiltrækning af datacentre

14. november 2023

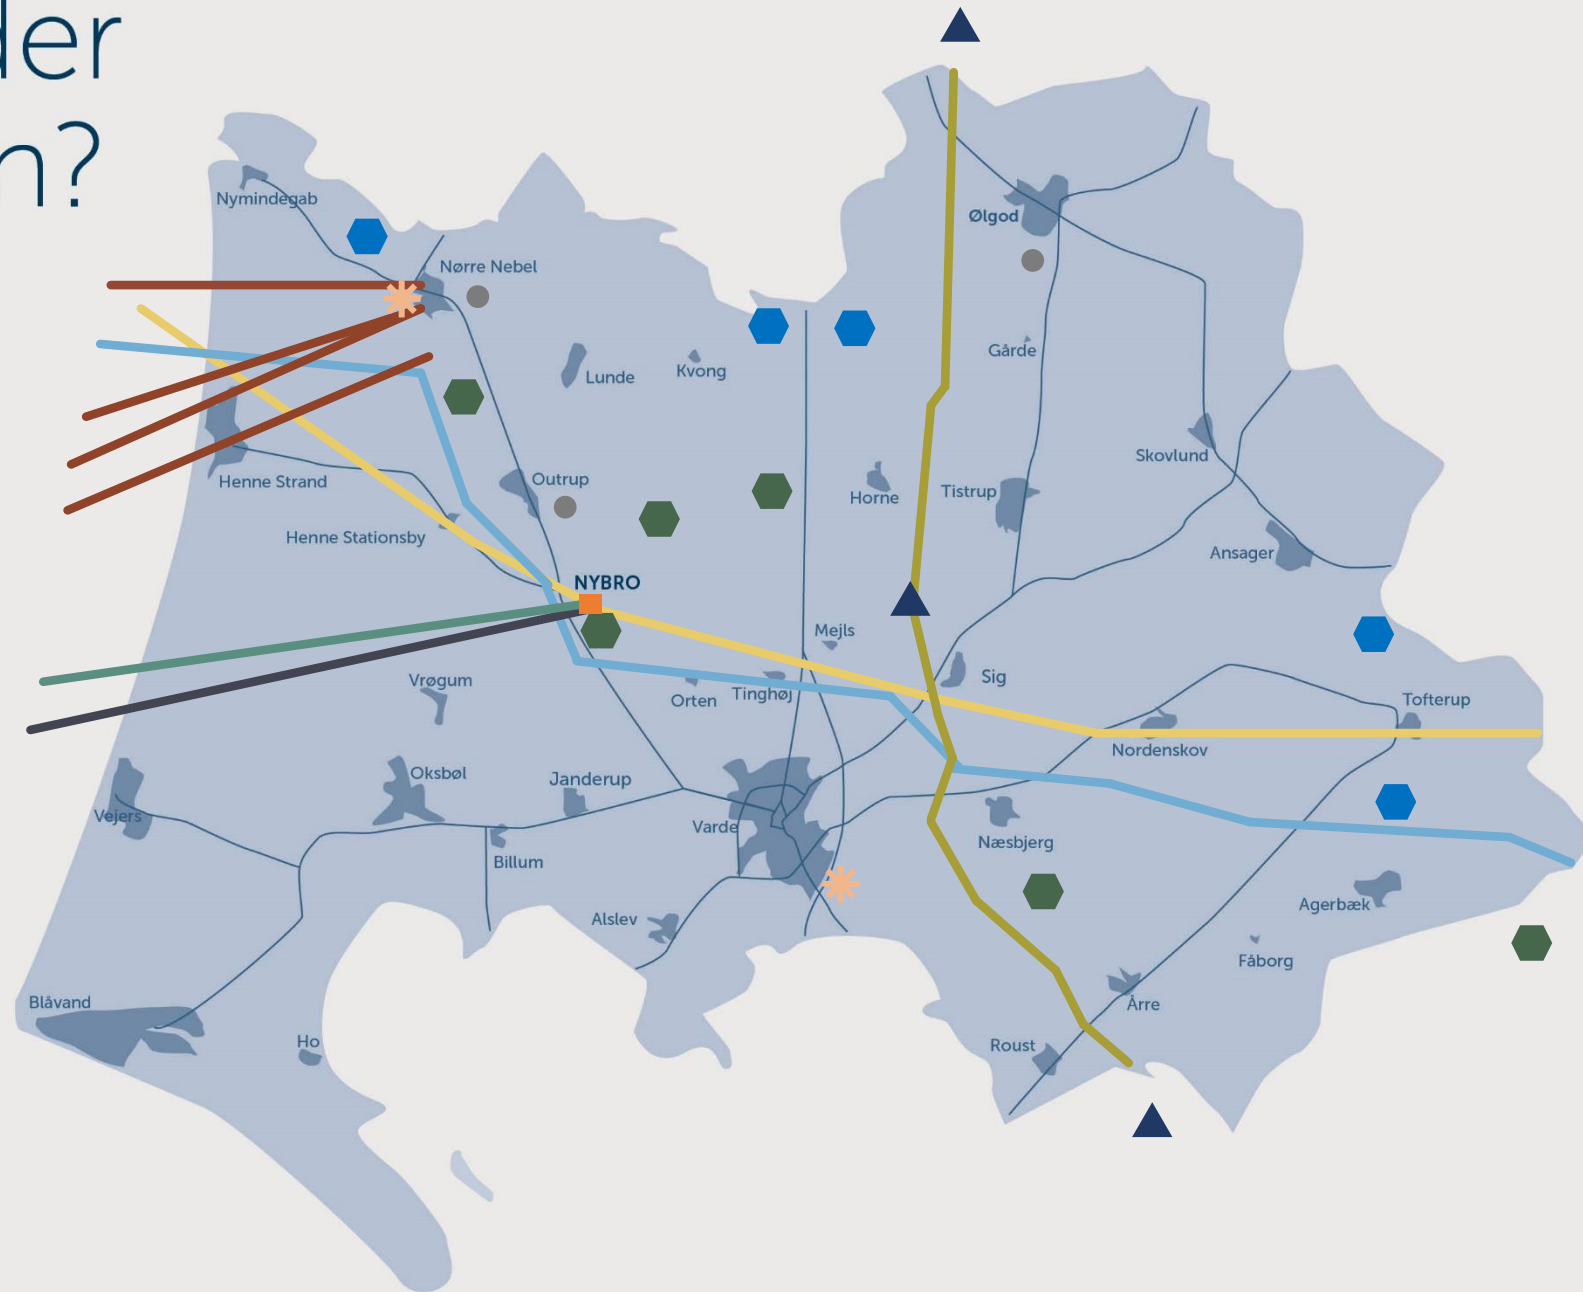

Grønne investeringer i Varde Kommune

Hvilke muligheder giver udviklingen?

Geografisk placering

- Fiber
- Strøm
- 400 kV
- Transformatorstation
- Gas
- Brint
- CO2
- Biogasanlæg
- Vindmølleprojekter
- Solcelleprojekter
- Eksisterende udlæg til datacenter

Stor betydning for
vores område

Intet kommer
af sig selv

A landscape photograph showing a wide, calm body of water in the foreground, reflecting the sky and the surrounding environment. The shoreline is lined with dense trees, some of which have turned autumnal colors. Several high-voltage power lines stretch diagonally across the upper half of the image, supported by a single tower visible in the distance. The sky is a pale, overcast blue.

Hvad gør Varde Kommune
for at tiltrække datacentre?
